# Budgetary analysis and budget drafting for a professional sports club

Our Firm assisted a professional sports club in the analysis and reclassification of past financial statement data in order to provide stakeholders with better information on the Company's economic and financial results and the various cost and revenue categories as a result of a change in the Company's structure.

Our Firm also assisted the client in drafting the budget for the following season.

This activity involved analysing the individual revenue and cost items in order to identify, together with the Company's management, the actions to be pursued to improve profitability.
