# IBSA SPRING 2023 CONFERENCE

We are pleased to be sponsoring the IBSA's International Business Structuring Spring 2023 Conference on Thursday 11 May in London, with Matteo Rapinesi and Giorgio Vagnoni on the panel of international speakers.

The conference will be exploring four case studies dealing with the following issues: intellectual property considerations; growth finance and private equity funding; insolvency and restructuring arrangements; licensing agreements; exit strategies on sale of businesses; changes in tax residence; employment incentives for key staff; US, UK, EU and Asian international tax issues.
